LAKE ALMA MATER

Our high school days we pledge to you

For guidance through the years,

So we may tread the path of life

Without the thought of fears.

Lake High School, Lake High School,

We'll hold your banner high.

Our hope and faith in you will never die.

I am a flyer—the symbol of Lake Schools. I am the students going from class to class, cheering at the games, and the boys on the field trying to do their best. I also stand for the teachers and citizens of the community. I am supported and guided by the parents and business concerns of the community from which comes the School Board, a small influential group, taking special interests in the school's functions.

I am not only the tangible, the building and its inhabitants, but also the spirit of the school, friendly teasing, good-natured grumbling, the soft word, and the loud yell — but reflections of my mood — ever changing like the surface of the sea, but constant in the depths of devotion.

I am Lake Schools.

On September 7, 1964, 2,471 students entered the doors of my Lake Township schools to secure further knowledge and seek many opportunities.

My classes choose responsible presidents to lead them in matters of importance.

The concert and marching band provided music for my enjoyment.

My homecoming was made a memorable event by twelve lovely young ladies and twelve equally handsome escorts taking part in the afternoon crowning ceremonies. The evening activity was highlighted by a parade around the football field.

Football victories made both the players and me delight.

Treasuries of my many clubs received a boost and my school year and social life was made more enjoyable by sock-hops held after athletic events.

Students participated in my annual magazine drive, receiving gifts and bonuses for the magazines they sold.

I listened to cheers of good luck and encouragement at pep meetings.

My students campaigned for the president of the United States in a mock election held by Student Council.

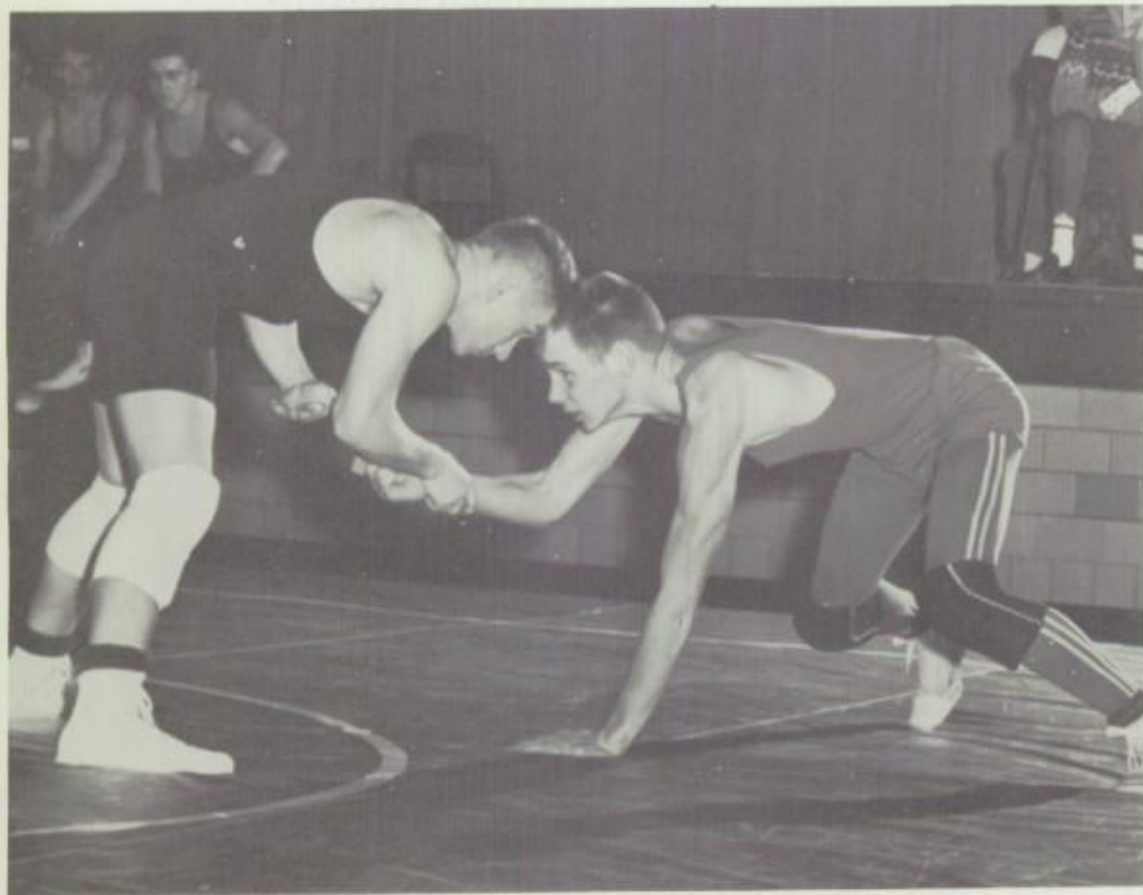

Student Council presented me with an impressive school flag designed by Sue Russell.

My basketball season this year was filled with many exciting moments.

My junior high school conducted its third annual Snowball dance choosing a royal court to reign over the activity.

Wrestling is rapidly becoming one the major athletic events in my school. This year they have had an undefeated season.

In January my faculty gave exams to end the first semester of the 1964-65 school year and my students slaved over them.

My seniors selected and ordered senior invitations to announce their graduation in June.

My junior class in choosing their graduation rings decided for the first time upon a school crest which I hope will become another school tradition. Previous graduating classes carried only an "L" on their rings.

One of the highlights of my school year is the winter formal called the Snowflake Ball. Queen Carol Beckman reigned over the evening.

Nick Preketes my yearbook representative picked up the final pages from Editor Nancy Ash and Associate Editor Sharon Wilka.

Mr. Case finds office workers very efficient.

Mrs. Shaw tries to hide cluttered cupboard.

Mr. Searfoss helps with homecoming decorations.

Mrs. Sconberg cuddles her Christmas present.

"And what can I do for you?" inquires Mr. Lieb.

"Oh, come on now!" says Mrs. Boileau.

Mr. Bandeleon gets himself braced for the takeoff.

Mrs. Huss directs bookkeeping class.

Our new band director makes himself at home at Lake.

Climbing the stairs to higher education.

Student teacher, Merrily Freeman, help students with reading.

May we come in?

Music seems to be taken with many different attitudes.

Who worries about being neat and orderly?

Bundle up, it's cold outside.

Look at what we made.

A struggle from top to bottom.

Come on boys, be jolly like the rest.

Time off to pose for a picture.

Say ho, ho, ho!

Round she goes, where she stops only Mrs. Kelly knows.

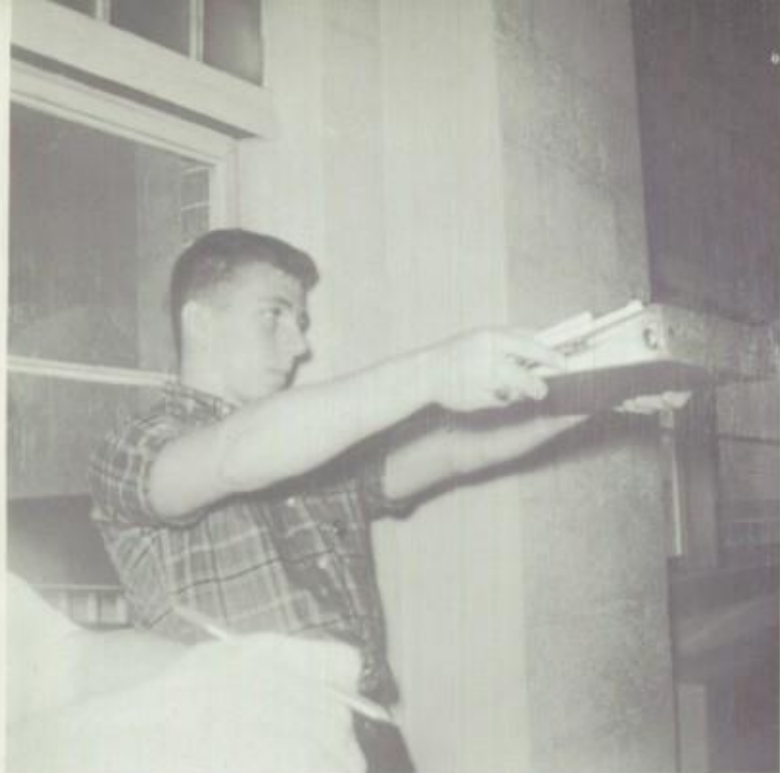

Almost everyone enjoys coloring at this age.

U-m-m, good!

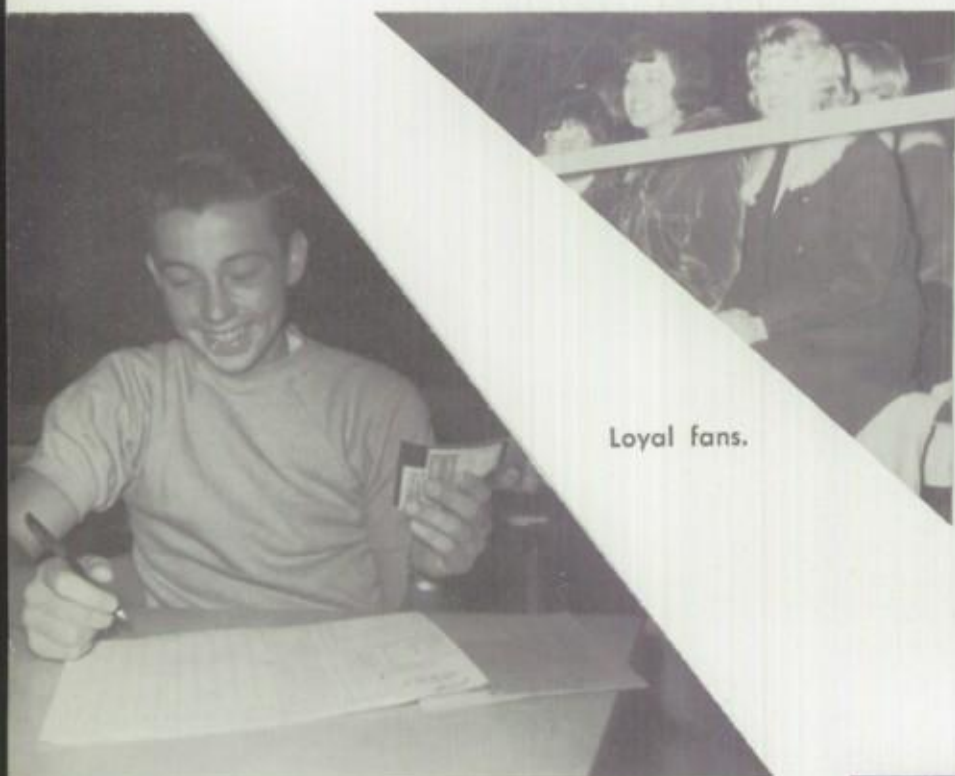

Pictures help children to understand.

Getting tired, Bozie H.?

Bob D., Loyola H., Pam S., and Ruth V. snapped between classes.

Ken A. collects magazine money in homeroom.

Loyal fans.

Don D. says, "Hi there".

Let's get this over with, says Larry A.

"Garsh!" Isn't Andy R. cute.

Connie K. jerks at sock-hop.

Linda H. demonstrates headlock on Becky E.

Sue M. and Connie M. lead cheers at game.

ARE YOU SATISFIED?

Grownups know that personal grooming is important if you want to "get ahead". Teenagers sometimes forget to look at themselves objectively.

So that boys and girls could see themselves as others see them, a full-length mirror was installed in the main corridor of a high school in Buffalo, N. Y.

Boys checked shirttails and trouser lengths—even started wearing coats and ties. Girls stopped to tuck in blouses or rearrange their hair. Renewed pride came to this school—all because of a mirror!

When you buy a mirror, be sure it's made of L·O·F Parallel-O-Plate® glass, twin-ground for truer reflections and more freedom from distortion. You'll find a wide selection at your furniture, glass or department store.

A mirror is a "must" at school . . . at home . . . anywhere. Always check your appearance before going out. It's a good habit to form and others will notice.
